Pioneering, authoritative interpretation from leading African-American scholars

SELLING POINTS

- The first African-American commentary on the New Testament
- Cutting-edge scholarship in tune with African-American churches

This pioneering commentary sets biblical interpretation firmly in the context of African-American experience and concern. Cutting-edge scholarship calls into question many of the canons of traditional biblical research and highlights the role of the Bible in African-American history, accenting themes of ethnicity, class, slavery, and African heritage as these play a role in Christian scripture and the Christian odyssey of an emancipated people. Contributors include the volume editors, Thomas Hoyt, Ann Holmes Redding, Vincent Wimbush, and sixteen other scholars.
