

Copyright Licenses Update

More ways to meet your copyright needs!

With our participation in OneLicense.net, the addition of *Evangelical Lutheran Worship*, and our new Augsburg Fortress Liturgies License, we now offer even greater benefits to your congregation!

What's OneLicense.net?

OneLicense gives you permission to reproduce congregational hymns and songs from an extensive list of music publishers for a yearly fee. Augsburg Fortress hymns are included in this license program, which allows congregations to reproduce words and/or music from all of the partnering publishers.

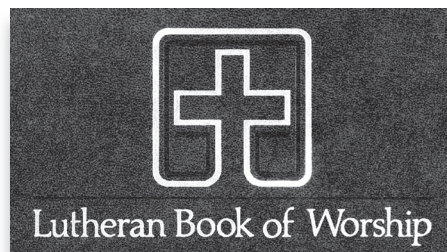

What's New?

- Augsburg Fortress Liturgies License
For churches who reproduce only liturgical material, or those who subscribe to OneLicense.net for hymns, but still need copyright permission for liturgical material.
- Augsburg Fortress Hymns License
For churches who want to reproduce hymns administered by Augsburg Fortress. This license does not include hymns from other publishers, or any words or music of liturgies.

Several worship books published by Augsburg Fortress will continue to have separate liturgy licenses to meet your needs. You can also order licenses through our Web site at augsburgfortress.org.

Please note that this order form replaces the License Order Form in the 2006-07 *Resources and Supply Catalog*.

Thank you for your partnership with Augsburg Fortress in renewing the church's worship life. Please contact us with any questions or ideas for how we can better serve you and support your ministry.

Liturgy Licenses

This comprehensive license covers all liturgical material (words and music) copyrighted and administered by Augsburg Fortress. This license also covers use of all the contents on the *Lutheran Book of Worship* and *With One Voice* Liturgies CD-ROMs and the *Evangelical Lutheran Worship* Liturgies CD-ROM.

Please select your average weekly attendance at all Sunday and weekend worship services as reported on Schedule C of the ELCA Parochial Report or other comparable denominational report.

You may also purchase specific licenses to cover liturgies from individual worship books:

If you need licensing for a single worship volume, you can choose from the licenses below. Remember: the Augsburg Fortress Liturgies and Song License includes all of these collections.
