

Baptism marks us as part of God's family.

We are baptized only once, but we can think about our baptism every time we . . .

. . . splash in the tub.

. . . make the sign of the cross.

can **remember** our baptism **every day!**

. . . walk in the rain.

. . . go swimming.

Water is poured on our heads.

Then we are marked with the cross of Jesus.

God loves us.

Count the hearts. Then make a cross on each person's head.
