

# Baptism is a gift from God.

Christians use water and special words to baptize babies, children, and grown-ups.

**Add to the picture:**

you

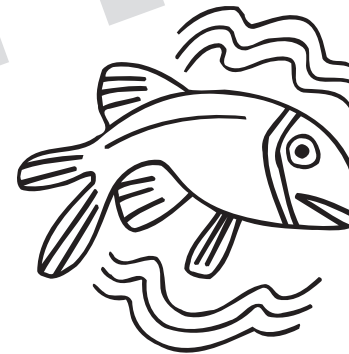

People need water to live.

## What can water do?

Animals and plants need water to live.

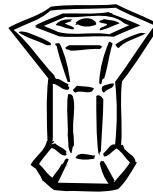

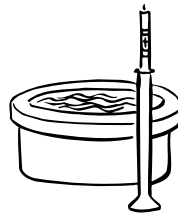

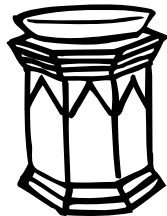

Water cleans us up.

Find the baptismal font in your worship space.

**Circle the font that looks most like the font at your church.**

Too much water can be scary.
