

Hello,

We are so excited that you will be observing Advent, Christmas, and Epiphany with the Families Celebrate Advent & Christmas cards. There is no right or wrong way to use these cards. These cards are a tool to help you name and celebrate the season with your family and to help make time together a priority. Here are a few tips and tricks that can help you make the most of your time together.

- Have older children help read through the cards and take ownership of leading the time together.
- After you have read through the cards, hang them up on your Christmas tree or fridge, or string them together as a garland.
- Create a specific time to do them every day. After supper, before bath time, before breakfast, or whenever makes sense in your daily schedule.
- Don't worry if you miss a day or two, or even five! This resource is flexible, and you can read through multiple cards in a day or skip some if needed.
- Have younger children go through the cards and find all the cards with the color blue on them, a candle, an animal, a star, or an angel.

These are just a few ideas! We can't wait to hear about the experience you have with your family! When you come to church, talk to others about these cards and share stories and ideas. We hope that these cards enhance your celebration of Advent, Christmas, and Epiphany.

Many blessings to you and your family in this season of waiting, hope, and love.
