

Welcome to Operation Restoration VBS!

Get started with Operation Restoration with the quick description below of all the resources you can download, where to find them, and how to use them.

All documents can be downloaded and printed as many times as needed. Several of them have spaces where you can include information specific to your VBS. The majority of these items can be printed on either 8 ½ x 11 or 11 x 17 paper. Resources described as “jumbo” are large posters measuring 3-x 4-feet that can be printed at your local printing store for a low cost.
