

Breaking Point

RECOMMENDED READING for Resisting White Christian Nationalism

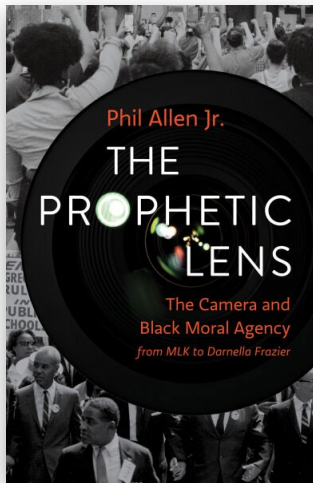

Broadleaf Books and Fortress Press have a long history of publishing diverse voices speaking to issues of racism, totalitarianism, and social justice. We recommend each of these books to further your study and understanding of how our country reached this critical point in history.

You'll find further resources related to the webinars – including shopping links to and excerpts from the books featured in the episodes – at AugsburgFortress.org/webinars/WCNwebinar.
