

DAVID & GOLIATH

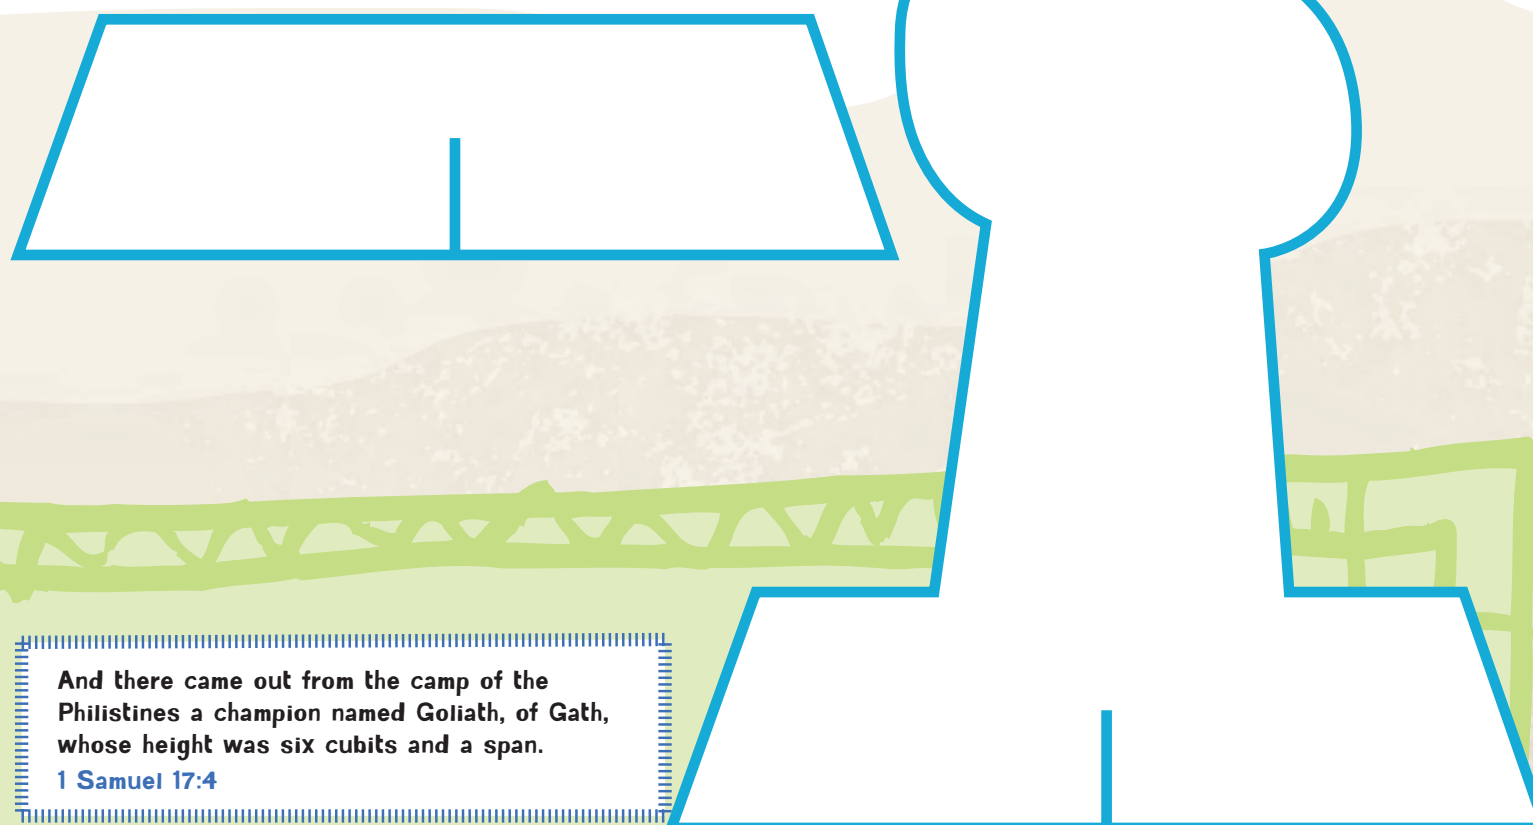

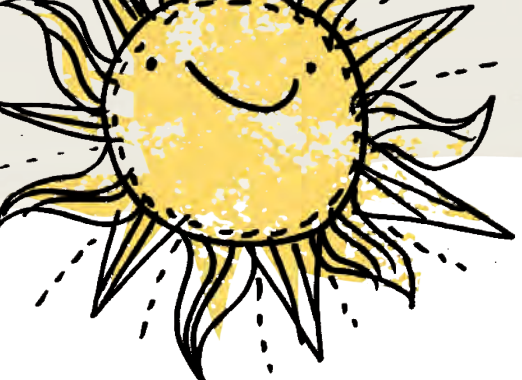

But David said to Saul, "Your servant used to keep sheep for his father; and whenever a lion or a bear came, and took a lamb from the flock, I went after it . . . The LORD, who saved me from the paw of the lion and from the paw of the bear, will save me from the hand of this Philistine."

1 Samuel 17:34-37

And there came out from the camp of the Philistines a champion named Goliath, of Gath, whose height was six cubits and a span.
 1 Samuel 17:4

A cubit was a way to measure in Bible times. If Goliath was close to 10 feet tall (3 m), how long was 1 cubit?

Who is the tallest person you know? How tall do you think you will be?
