

# Images of God: Yes or No?

Most people have no idea how many images of God are in the Bible! See if you can stump some members of your worshiping community. From pages 268–271, choose ten images for God that you find most surprising, and write them on the lines below.

Then quiz three members of your worshiping community to see if they can correctly guess which ones are actual images for God found in the Bible and which ones are not. Are they surprised to learn that each image is a YES?
